The Arc
Five At Heart
**Arc Warranty and Technical Data**

**Warranty Information**
Five At Heart products come with a standard 2 year warranty, effective from the handover date.

For the warranty period, we warrant that the equipment (and any materials) we supply will comply with the relevant standards at the date of installation.

This warranty is limited and may be excluded in part or in full in light of user damage or failure to install to Five At Heart specification.

We recommend a monthly visual inspection for signs of damage or need for cleaning.

Contact Five At Heart in the event of product damage.

**Fixing options / and detail**

**Fig 1/** M10/50mm galvanised sleeve anchor

**Product Weight**
Low – 46kg
High – 53kg

**Substrate Requirements**
- Concrete – 100mm thick and in good condition

**Maintenance Requirements**
Slide unit bearings are sealed and do not require on going maintenance.

If any moving parts appear to be malfunctioning, discontinue use and contact Five At Heart.

**Cleaning**
Cleaning should start at the time the products are installed, ensuring that construction materials such as concrete, plaster and paint splashes are removed before they have a chance to dry. Failure to remove these materials will require aggressive cleaning in the future, that may be harmful to the products.

Wipe with a damp cloth for surface cleaning. Regular cleaning may be done with a solution of warm water and a non-abrasive, pH neutral detergent solution. Surfaces should be thoroughly rinsed after cleaning to remove all residues.

**WARNING:** DO NOT UNDER ANY CIRCUMSTANCES USE STRONG SOLVENTS SUCH AS THINNERS OR SOLUTIONS CONTAINING CHLORINATED HYDROCARBONS, ESTERS OR KETONES. ABRASIVE CLEANERS OR CUTTING COMPOUNDS SHOULD NOT BE USED.
