Locklan Warranty and Technical Data

Warranty Information

Five At Heart’s Locklan digital touch lock comes with a limited 12 month warranty (batteries not included in warranty) .

For the warranty period, we warrant that the equipment (and any materials) we supply will comply with the relevant standards at the date of installation. This warranty is limited and may be excluded in part or in full in light of user damage or failure to install to Five At Heart specification.

We recommend a monthly visual inspection for signs of damage or need for cleaning. Contact Five At Heart in the event of product damage.

Disclaimer

Images may differ from actual product and specifications may change without prior notice. Five At Heart is not liable for the structural integrity of the substrate and any queries should be directed to the project engineer.

Product is manufactured to metric dimensions.

Not BLE compatible.

Maintenance Requirements

If any moving parts appear to be malfunctioning, discontinue use and contact Five At Heart.

Cleaning

For general care and maintenance, simply wipe away most spills or marks with a damp cloth, or wipe clean with non abrasive household cleaner.

Do not submerge product at any point.

Avoid scourers and abrasives as they will damage the surface. Do not use waxes or polishing products as they dull the natural shine.
